## Varsity Wrestling

Under the skillful direction of a new coach, Mr. Michael Bullis, the 1974-75 Varsity Wrestling team put previously acquired techniques to use, compiling a record of two wins, six losses in league competition, with an overall standing of four wins, twelve losses. Although the grapplers bowed to more teams than they defeated, the guys demonstrated genuine enthusiasm for and devotion to their sport. Because of this undying spirit, the matmen compromised a team worthy of recognition and praise.
