

Thursday, Feb. 22<sup>nd</sup>

Frank:

At the JV Counties at TCMS in Brighton, we had a coaches' meeting on Wednesday morning at 8:30 am.

After much conversation on a variety of topics, the group voted unanimously on the following items:

1. The JV Counties is open to all wrestlers up to and including eleventh (11) graders. The criteria governing a wrestler's eligibility into the JV Counties will now be as follows:
  - a. He/she cannot have placed in the top 6 in the Varsity Monroe County Championships
  - b. He/she cannot have more than Four (4) Varsity wins in matches actually wrestled
  - c. A summary sheet with all bouts wrestled must be submitted for each Junior who enters
2. In attempt to separate quality wrestlers, each coach will submit an individual's record (if he would like him to be considered) when he submits his line-up. Also, the no-win rule is to be implemented. That is, if two boys have not had a win during the season, they should be paired in the bracket.
3. All coaches' would like to propose that the JV Counties be held on the Friday and Saturday onf East vs. West Day. Wrestling would begin around 4:00 pm on Friday until approximately 9:30 and then resume at 8:00 am Saturday with Finals about 7:00 pm. This would alleviate the ethical issue of a boy competing in both JV Counties and Sectionals and would also ensure JV teams an earlier season finish date (prior to February Break).

ALL of the above items were voted upon and accepted by an 18 - 0 margin
