WRESTLING

Buffalo Bulls
1954-1955 Wrestling

The wrestlers, armed with a completely green team, finished their regular season with a won 2, lost 8 record. However this team beat R.I.T., the best team in the league, by a two point margin. This was the first time in fourteen years that a UB team has beaten an R.I.T. one.

Paul Snyder, in his first year of wrestling at UB, came out on top as the highest individual scorer of the team. He won seven out of eight matches to score twenty-two team points. Jerry Coles, a member of last years freshmen team, was second high with twenty points.

George Movesian and Don Miller are the only two members of this year's team who will graduate. Returning next year will be three juniors, seven sophomores and eight freshmen.

The experience and knowledge gained by this year's team plus the reinforcement of our freshmen team will make next year's team a hard one to beat.
