

WRESTLING 1955

For the fourth year in a row, Union Springs Central has sponsored a wrestling team. Since 1952 Coach McBride has been striving for a championship team, and this year marked a big step in that direction. The team won four matches and lost five which is the best record any U. S. wrestling team has ever made. Much credit is due this team for their performance, especially since half of the team were new members. Special recognition goes to Bruce Davis and Richard Delaney, co-captains, and to James Mosley, all veteran wrestlers, who did much to help Coach McBride and who led the team through an excellent season.

Ten U. S. grapplers entered the sectionals held at Sherburne and Cortland. Of these ten, Bruce Davis, Charles Herrick, and Adelbert Covert placed fourth while Richard Delaney won a third place.

Since all but three of the boys are eligible to return, a successful season is in sight for next year.
