## Geneva Panthers 1967-1968 Wrestling

Even with the great inexperience which the Panther wrestlers had this year, they managed to tie for third in the Wayne-Finger Lakes League and finish a solid third in the league tourney. Co-captain Steve Achilles, 133 pounder, was Geneva's most valuable wrestler, winning a W-FL title and a Section V shield. Of the regular 12 varsity grapplers, only 2 were seniors, 2 juniors, and the remainder sophomores and freshmen. This implies that next year the Panthers will greatly improve their 5-3 league record and that, with a little more experience, they will make a serious bid for the conference title.

V.'s were at their best in their first meet, a surprising 26-18 victory over Canadaigua, whose varsity walked away with both the league and Section V crowns.
