Byron-Bergen Athletic Dept.

December I, 2007

Dear Wrestlers and Fans,

The BB Tournament was created for two main reasons: (I) start a tournament for small schools where the talent of young athletes could be highlighted and (2) raise money to send our wrestlers to camps to increase interest for our sport and enhance skills.

To date, the BB Tournament has been a hit in Section V. We generally invite around seventeen teams and have had a strong base of loyal teams that have competed here from the start. A few years back, we decided to add the JV level.

In 2005, seven wrestlers from our tournament made it to the State Tournament. In 2006, five wrestlers made it to the State Finals. This has been a great testament to the talent of the wrestlers who attend this tournament.

The Byron-Bergen Tournament got its start in the minds of a few coaches, community members, and former wrestlers. Without them, this event would have remained just a dream.

On behalf of the school administration, coaches and community I would like to personally thank those who have volunteered their time over the years for helping to make the Byron-Bergen Invitational a success.

WRESTLING CLUB

Dear Athletes and Wrestling Fans,

On behalf of the Byron-Bergen Wrestling Club we would like to welcome you to the 12th Byron-Bergen Wrestling Invitational. The Wrestling Club has worked closely with our coaching staff and school administrators to make this an exciting and memorable day for not only the student athletes but for the fans as well.

The BB Wrestling Club is one of the oldest Clubs here at Byron-Bergen with its origins going back to the 1960's. The parents and fans have supported our athletes over the years by fund raising, assisting students with equipment, organizing team trips and in general

supporting our coaching staff.

We encourage positive sportsmanship from athletes and fans and recognize the dedication that our students must give to be successful in the toughest high school sport, wrestling.

Thank you and enjoy the day.
