

Veterans Jack Fisk and Tom Logue show how it is done ...

Tom Logue, Jack Fisk, and Dick Clark, compiling records of 10-3, 7-5, and 4-2-1 respectively, were of great benefit in training the newcomers. Under Mr. Habecker's direction, Tom Logue placed third out of a field of fifty in sectional competition.

TOM LOGUE PLACES THIRD IN SECTIONAL WRESTLING COMPETITION

The Wrestling team had a rebuilding year. The seniors were the only ones who had had any past experience. Unfortunately, the team failed to win any matches, but many individuals had fine records.

There are younger boys who will have a chance to show their style next year because of the loss of the seniors. Jim Leenhouts had an impressive 6-4 record as a freshman. His teammates, John Murphy, Dave Marsh, Bill White, and Art Lee also show much promise.
