Wrestling

This year wrestling has succeeded in becoming a very popular and exciting winter sport in Fairport. Despite losses, wrestling has gained popularity, for the squad has increased from fourteen to twenty-eight participants. One thing that keynotes this year's team is enthusiasm and clean sportsmanship.

Despite the late start in 1960 a few have done quite well such as Bob Buholtz, Ray Calabro, and John Hendrick. Ken Denny has won several matches even though he was always outweighed by twenty to ninety pounds.

Coach Talarico and Mr. Blau have done an excellent job in getting the squad in shape, and expect promising things in years to come.
