The 1970-71 grapplers gave Livingston County teams a glimpse of things to come. Although Le Roy had a young and largely inexperienced team this year, they showed the potential for a championship team.

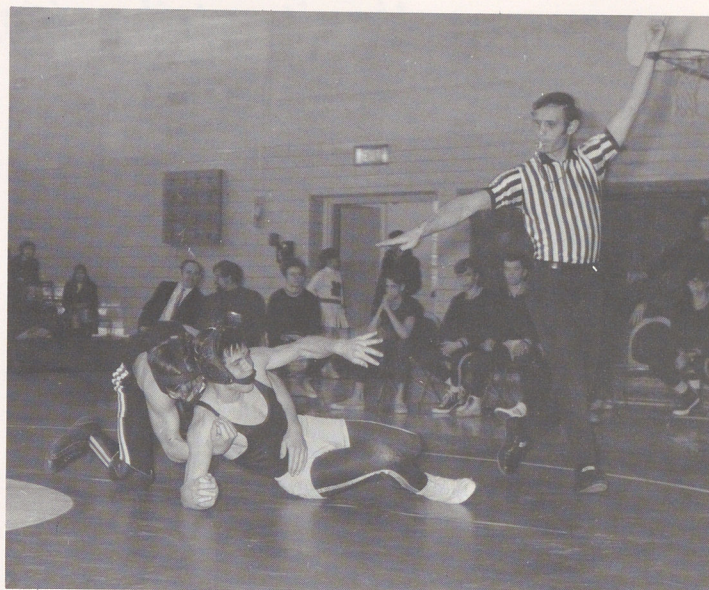

Centered around a nucleus of three substantial seniors, the team brought many exciting matches to Le Roy spectators. The season was successful in that the young members of the team gained valuable experience. Le Roy had two fine wrestlers, Art Aramino and Tony Gugino, going to the Sectionals. Both of these skillful matmen earned a third place at the Livingston County Tournament.

Coach Brook's training has already shown its value to Le Royans. Due to his expert coaching, Le Roy already has power for next year. Paul Wallace, Jerry Joy and Paul Gangi should lead our grapplers to future victories.
