## Wrestling

This year's wrestling team got off to a slow start with two straight opening losses, but came back to tie Fillmore 21-21 in the third match of the young season. Coach Bell is very enthusiastic about his young inexperienced squad. Six members of last year's squad graduated in June but with more hard work the new squad members will take their place.

Tom Dovolos was the team's only county champion last year, participating in the 165 lb. class.
