

This year the wrestling team went to the mats under the direction of an experienced wrestler, Coach Hyman. Although the team's record included only two wins, there were certain members of the team who could almost always be depended upon for a win. One of these was Danny Lazzaro. Not far behind Danny were three other boys with fine records, Steve Hewitt, Chip Rieck, and Mike Smith. With more experience, the return of most of the team, and the excellent coaching of Mr. Hyman, Fairport expects a winning season next year.
