

**T**he 1990-91 Varisity wrestling season was very successful. Hard work and determination proved itself with a solid 7-6-1 record.

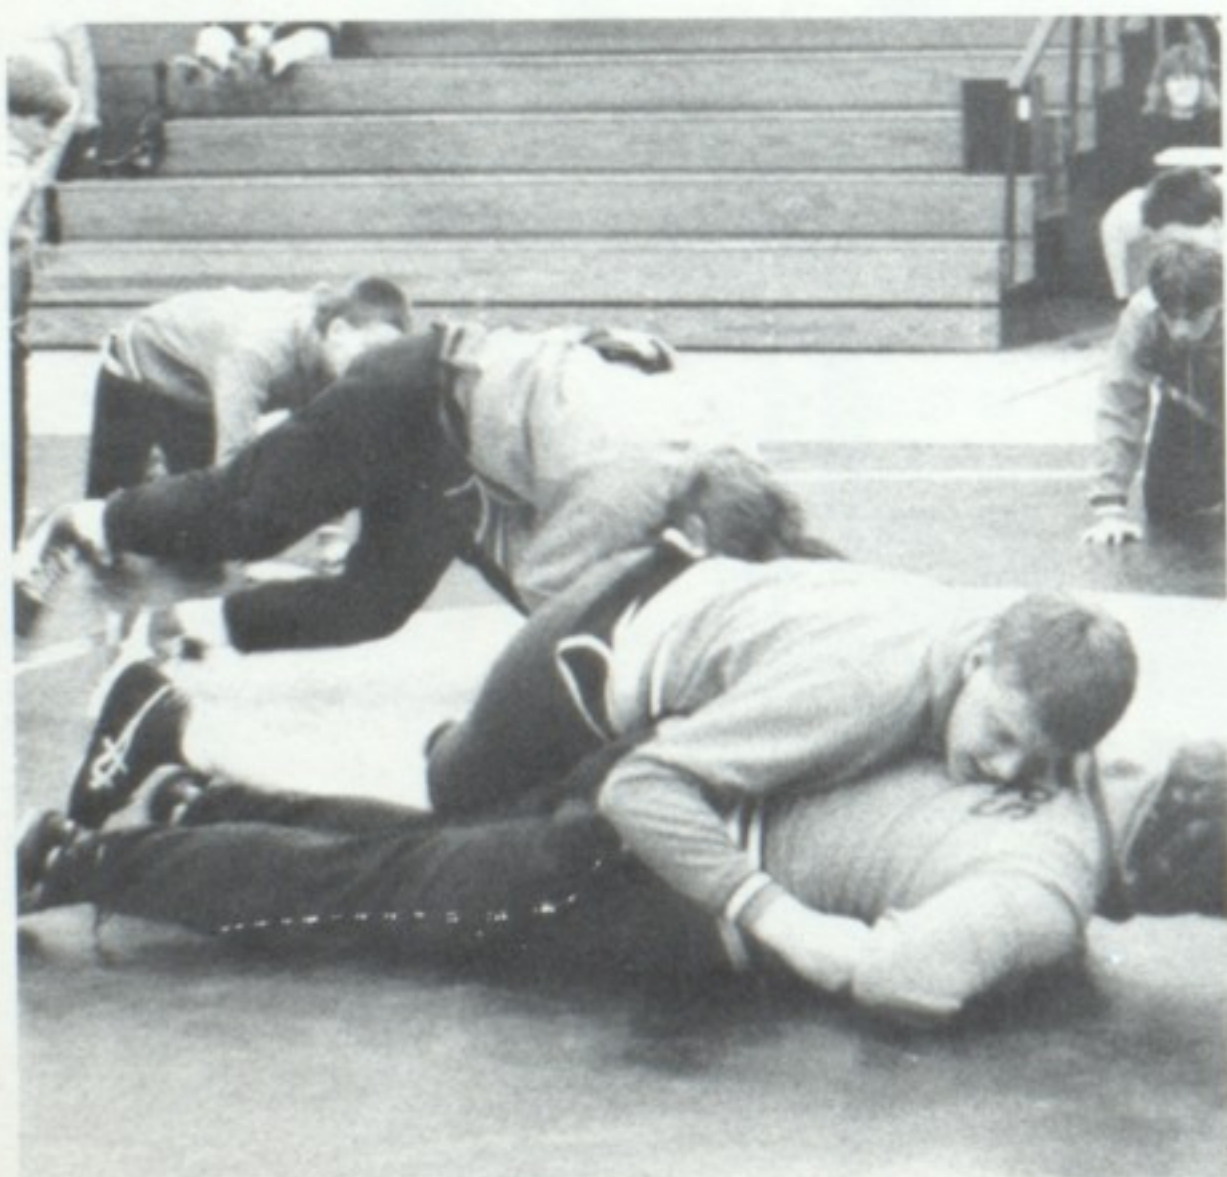

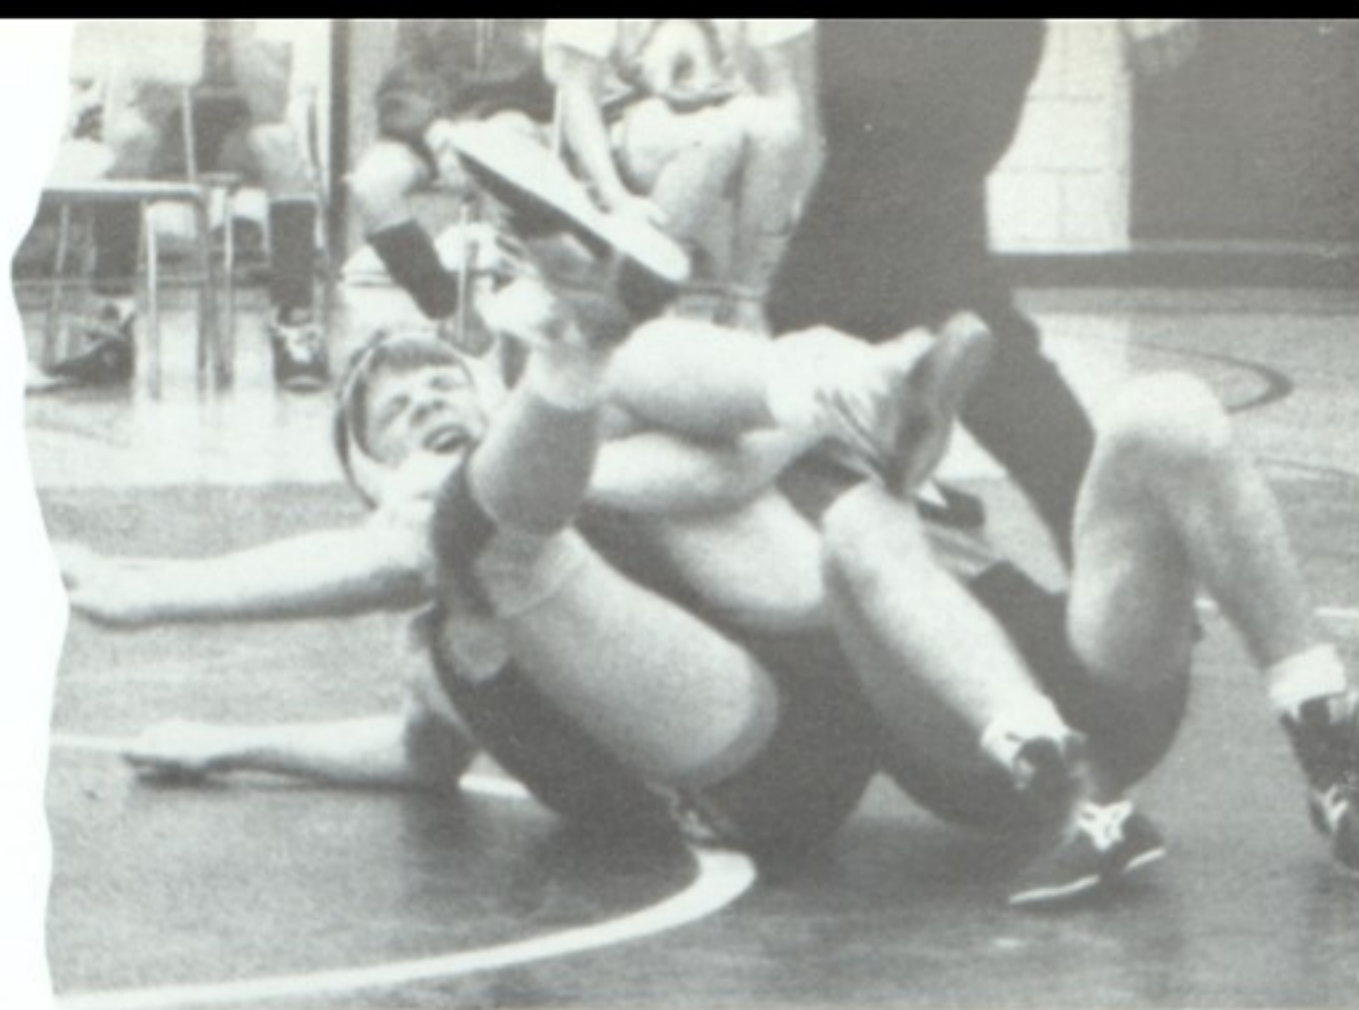

One of the best highlights of the season was the Byron Bergen meet. It came right down to the last match with Tim Scroger. Mr.Clutch came through and in style by pinning his opponent. A flood of triumphant excitement filled the gym, and the Tiger's

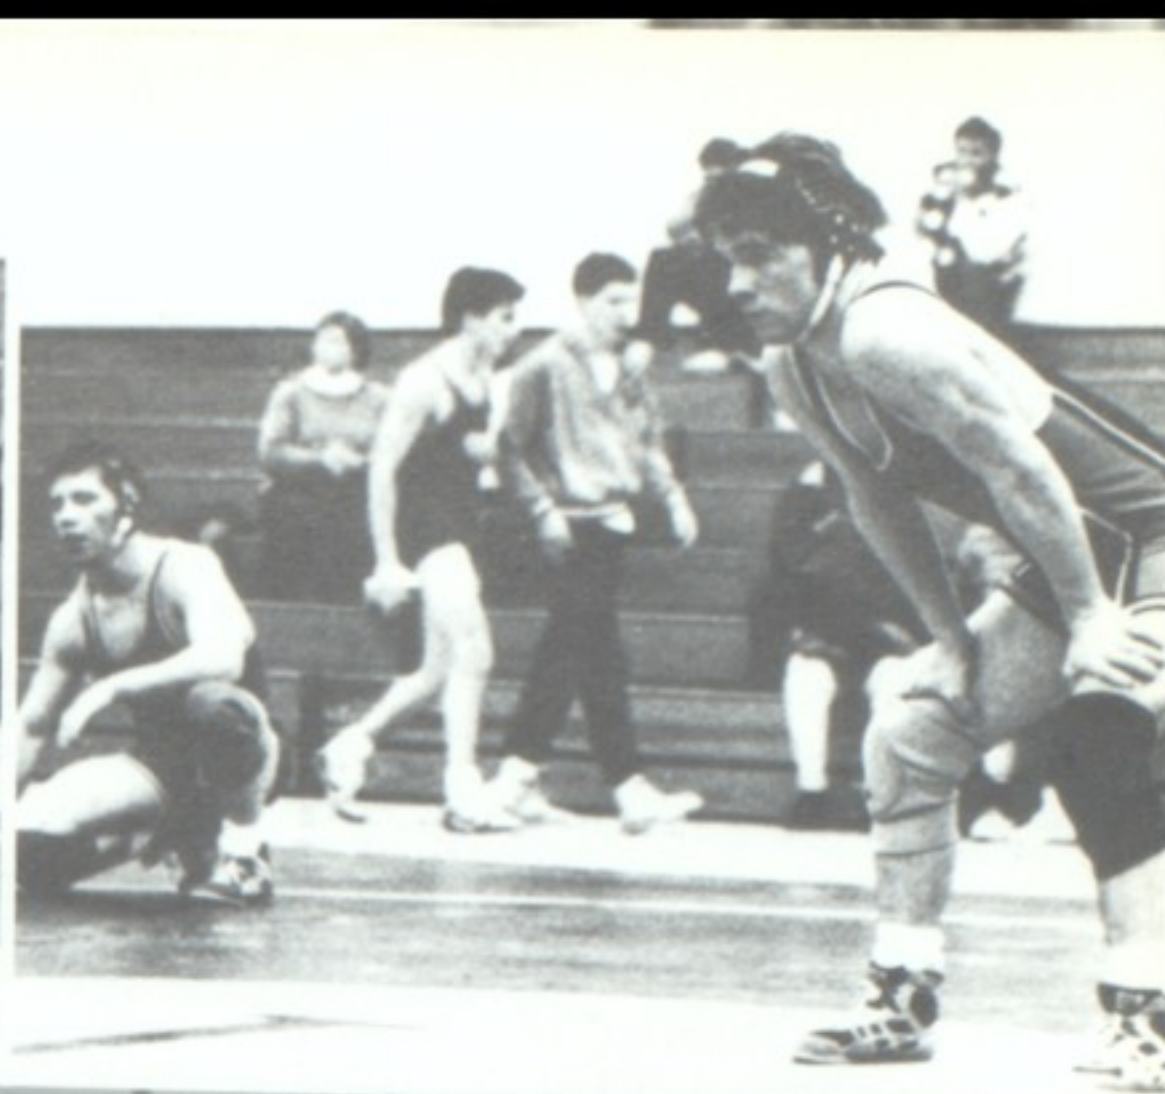

Victory column was filled with one very important win.

The most pins of the season were shared by David Duncanson and J.J. Romano; both had 11. J.J. also received League Championship and League All Star honors. This year's team has brought more success to a Lyndonville team success tradition. That success is the tradition that will surely provide steady winning continuity well into the future.

**O**ur Wrestling Cheerleading squad consisted of eight hard working girls. They all racked their brains and came up with a great dance routine to "Ice Ice Baby". They all had lots of fun cheering on our Wrestlers to a successful season and would like to say a heart felt thank-you to Dawn Fraiser for all her help.
