Junior Varsity Team

Under the superb leadership of Head Coach William Layton, the North High Grapplers enjoyed their best season in their history. The team was sparked by the fine individual efforts of all team members, including Gary Joy, Don Morgan, and John Henehan. Other outstanding performances included those of John Gill, Paul Holt, Dale Gitchell, and Jim Bishop. The highlight of the season was the beating of Rival Binghamton Central and Catholic Central, thereby winning the so-called "City Championship". The team is also looking forward to fine seasons in the next two years since many team members are very young.
