THE WRESTLERS, STRONG MEN OF TOMORROW

All 7th and 8th grade classes were spectators at the Junior High match.

Although the wrestling team won only three meets this year many of the individual wrestlers established fine records. Rolan Becker led the team with a 10-3-1 record followed by Carl Kelly 8-6, John Bathrick 8-7, and Roger Bishoff 8-7.

As in the past, the team did an outstanding job at the class B sectionals held at Franklinville. Carl Kelly placed 2nd while Roger Bishoff pinned his man in the consolation round to gain 3rd place. Fourth place honors were won by John Bathrick, Rolan Becker, and Mike Hogan.

Since Andy Nowicki is the only graduating senior, the grapplers will have a great deal of experience available at the start of the next wrestling season. A promising group of 8th graders, who participated in the junior high tournament should add much depth to the team.
