## NO COACH + INEXPERIENCE = HARD WORK

Salamanca Warriors  
1962-1963 Wrestling

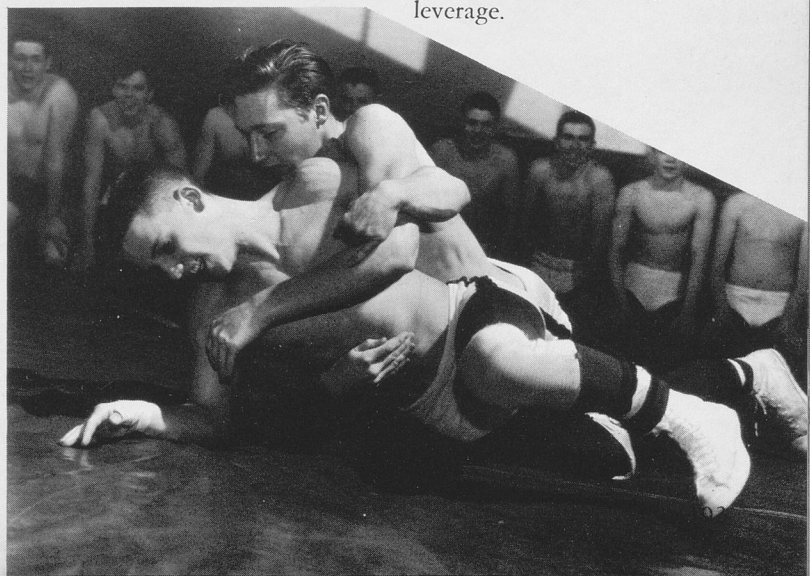

Senior letterman Mike Birmingham displays the determination and muscle he uses to defeat opponents.

The wrestling squad has admirably faced the problem of functioning without a coach as the boys themselves have managed the team. Their enthusiasm and efforts are a fine example of teamwork.

Jeff Zariczny, Sally's top wrestler, and Mike Birmingham are co-captains of this year's spirited team.

Seniors Jeff Zariczny and George Darling struggle in a vicious test of strength and leverage.
