

WRESTLING TEAM

DEVELOPS INTEREST IN WCS

Making its debut at Wayland Central, wrestling attracted a large number of matmen interested in learning a new sport. Under the capable tutelage of Coaches Ed Pucci and Paul Procopio, the team improved steadily and impressed all observers with the progress and ability shown by our wrestlers. The team came out on top on the scoreboard only once, but the wrestlers always had individual winners. Chip Baird led the team with an undefeated year in the unlimited competition and won the Livingston County championship—all matches in pins. Baird and darkhorse Dave Neutzel participated in the Section V tournament and finished third and second respectively. The future for the Eagle matmen is promising with many veterans returning and being reinforced with fine prospects from a 7-6 JV team.
