The Wayland wrestling ended up with a 3-9 league Record. However, it was termed as a success being that the team lost 9 starters from the wrestling team's 13-1 season of last year. Highlights of this year were by a number of close matches which could have turned it to an 8-4 season.

Outstanding records were by team captains Mike Kelly and Ted Didas. Winning records were recorded by Toni Presti, Ted Rook, Jeff LaBell, Albert Beaupre and Mike Flaitz.

With over 12 Freshman on the team and a strong 8th grade class, the coming season looks very promising. Coach Hettrick and Coach Pucci would like to thank all the Fans for their support.
