

CROSS-COUNTRY

Edison Tech continued its good showing in athletics by winning the city interscholastic cross-country championship. The team went through the season without a defeat, winning by large margins.

Captain May took individual honors in the annual city-wide school run. Palskis, his team mate, gave him the most competition, taking second in every meet.

Coach McClumpha's loyal co-operation and hard training of the team gave us the most successful season the school has ever known:

Edison	15	East	115
Edison	18	Marshall	81
Edison	18	Franklin	60
Edison	17	Canandaigua	46
Edison	17	West	45
Edison	20	Monroe	51
Edison	17	Canandaigua	45

Through graduation the team will lose May, Comperatore, and Heberger.

This year's prospects look bright. Coach McClumpha has had the boys start practicing early. Although there are a number of veterans, there is always room for newcomers. So far the lineup is as follows: Milers—May, Comperatore, and Shearer; Half and quarter milers—Palskis, Hauser, Paul Popowych, and Dixon; High jumpers—Kirk and Howell; Sprinters—Welker, Ciaraldi, and Knapp; Shot put—Schoeder.

The team finished fourth last season, but it looks like championship material now.

WRESTLING

With the dropping of wrestling in the city high schools, came the announcement that the championship was awarded to Edison Tech, for the team was in first place. This makes our twelfth consecutive championship. With a full veteran team and the coaching of Mr. J. Kress, we were sure of the championship.

From the individual contests three Tech men emerged as champions: George Houle, 105 pound class; Ernest Houle, 145 pound class; Tom Polis, 155 pound class.

Mike Bulavinetz lost the 165 pound crown by 1:05 to Smith of Charlotte. This match was the feature of the meet, marked by its roughness. The results:

Results:

Edison	20	East	10
Edison	30	West	16

SWIMMING

This year's team turned in the best performance of any Tech swimming team in a great many years. The season was closed before the schedule was completed.

The different events in which the boys took part were as follows: the backstroke, medley, breast stroke, free style, free style diving, and relays.

Arena and Lupari made good showing in fancy diving. Giorgioni, Lupari, Ward, and Bumback made up the relay team. Herb Bentley took care of the team and showed good judgment in placing the boys. The team chalked up two victories out of three meets. The results:

Edison	34	East	32
Edison	8	Monroe	30
Edison	27	Charlotte	24
