The 1960 Cross Country team, under the leadership of Coach Foster, and Co-Captains Frank Germonto and Jim West, finished its season with a record of ten wins and four losses. The purple and white harriers placed second in the Section 6 "AA" meet and placed fourth in their division at the Buffalo State Invitational Race.

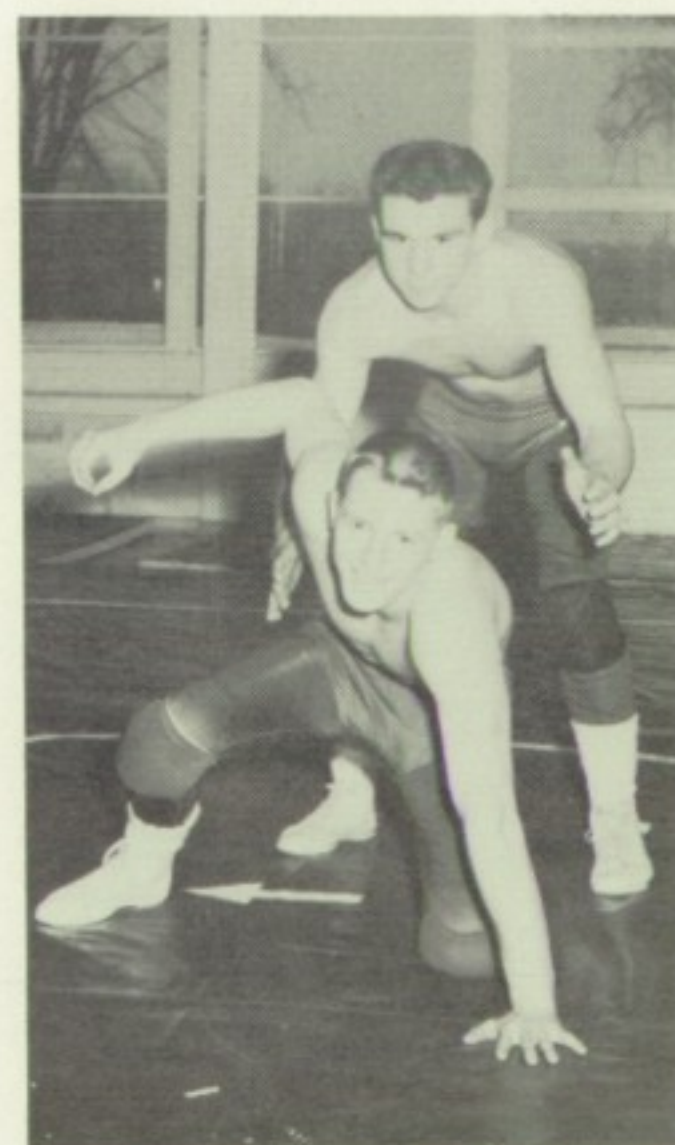

With the advice and leadership of Coach Richard Hover and Co-Captains Paul Witman and Harry Rusert, the Hamburg High School wrestling team of 1960-1961 had a good season. The underclass wrestlers have gained valuable experience to help them achieve victory for Hamburg on the mats next year.

The Hamburg spirit forwarded by our determined seniors is certain to be sustained by the underclassmen.
