UNDER the able guidance of the new mat mentor, Warren Gregory of Purdue, UB's muscle men have at present an average of 500 with hopes of bettering that before the end of the season. Due to pre-season injuries, coach Gregory had to replace several of his veterans of last season in order to open the '48-'49 schedule. With the return of these men from the injured list and also some previously ineligible men, the coach feels that the team has added strength and incentive. At present the following aspirants constitute the varsity. At 121 lbs. Bob Oswzld—3 seasons; 128 lbs. Fred Giovino—2 seasons; 128 lbs. Bill Shinwell—2 seasons; 136 lbs. Sam Licata—2 seasons; 145 lbs. Bill Smyth—2 seasons; 145 lbs. Chester Krysczuk—3 seasons; 155 lbs. Elmer Jung—3 seasons; 155 lbs. Bernie Cesar—1 season; 165 lbs. Fritz Price—2 seasons; 175 lbs. Gene O'Donnel—2 seasons; 175 lbs. Bill Powell—3 seasons; Heavy Don Beitleman —2 seasons.

Other members who have also competed are Cosmo Polino, Robert McElister, James Conomos. Freshmen who will be eligible next season and according to coach Gregory should become varsity material for next season are Bud Uppin, Robert Adams, Robert Bergman.
